

Wendel Donathan here, coach at Franklin.

I need officials for the following event:

A "Preview" at our place on November 29th. We are going to showcase the entire SW area's best 5 & 6th graders as well as the best 7 & 8th graders. It will be 3 - 1 minute periods, dual format. 5/6 graders start at 1pm and the 7/8th graders start at 5pm. I really want to get a few good officials. Or, if you have some young 'trainees' that could use some work, that would be great.
